PETITION TO REVIVE FOR UNINTENTIONAL DELAY UNDER 37 C.F.R. §1.137(b)

Dear Sir:

A Drawing Amendment is being filed concurrently with this Petition to Revive.

Due to an unintentional delay, the above-identified application became abandoned for failure to timely file corrected drawings as required by, and within the three-month period set in, the Notice of Allowability. Applicants, through their undersigned representative, hereby request revival of the subject application for the following reasons.

Applicants' representative received a Notice of Allowability dated January 14, 2008, which set a 3-month Period for Payment of the issue fee and to supply replacement drawings in compliance with 37 CFR 1.121(d). The issue fee was timely paid. However, the replacement drawings were not submitted with the payment fee, which was unintentional. Corrected drawings are being filed herewith.

Applicants' representative respectfully submits that the entire delay in filing the reply, from the due date for the reply until the filing of a grantable petition pursuant to 37CFR § 1.137(b), was unintentional.

If any additional fees are required in connection with this document, the Commissioner is authorized to charge them to Deposit Account No. 50-1063 [QUAFP700USA] .

Respectfully submitted,
